

Vertiface®

● Vertiface®
in Sapphire, Silver and Civic

● St Luke's Catholic College,
Australia

Aesthetic and functional sensibility

Vertiface® is a durable, decorative wallcovering made from 100% polyester fiber. Available in a palette of 40 colors, Vertiface offers design freedom with a side of functional sensibility. Vertiface can be used as a furnishing fabric, wallcovering, and acoustic panel overlay; with a soft velour finish on one side, and sleek flat pile on the other, it's perfect for a variety of interior applications.

Vertiface is hook-and-loop receptive and pinnable with a self-healing surface, ideal as a laminate for acoustic pinboards.

Caring for the environment

Vertiface is manufactured using 100% polyester fiber and contains a minimum of 80% recycled fiber (from PET plastics). Our products are designed to be recycled at the end of their life too.

We have continual improvement programmes in which we implement a range of initiatives to mitigate the environmental 'hotspots' that we have identified. Our products are GreenRate Level A, Health Product Declaration (HPD), and CDHP Standard certified.

Vertiface is DeclareSM certified to be Red List free and can be used in Living Building Challenge projects. Autex has a high functioning Environmental Management System (ISO 14001) to enhance our environmental performance and contribute to sustainable development.

Declare.
